CARTERS CONTRACT FLOORING (UK) LTD
ENVIRONMENTAL MANAGEMENT SYSTEM

ENVIRONMENTAL POLICY STATEMENT

Carters Contract Flooring (UK) Ltd supplies and installs soft floor finishes and is based at The Axis Centre, Cleeve Road, Leatherhead, Surrey KT22 7RD.

We are committed to operating all of our flooring activities in an organised and responsible manner, endeavouring at all times to ensure that the environment is not harmed by our activities, products supplied or services. We believe it is necessary to adopt sound management practices, in which the protection of the environment is a high priority.

The Directors of Carters Contract Flooring (UK) Ltd commit to:-

- comply with legal and other applicable requirements.
- seek continual improvement. This is to include setting and regularly reviewing objectives and targets arising from the significant environmental impacts of our activities or products supplied.
- operate in a manner which aims to prevent pollution.
- maximise operational efficiency, conserve natural resources and minimise the impact and quantity of waste generated.
- reduce energy wherever possible.
- comply with the requirements of the Environmental Standard BS8555.
- provide information and instruction for all employees and others working on our behalf who may have a significant impact on the environment.
- make this policy available to all stakeholders and the public upon request.

The Directors of Carters Contract Flooring (UK) Ltd will ensure that the policy commitments are met and will implement the policy on a day to day basis and will review the policy annually.

Carters Contract Flooring (UK) Ltd's staff are aware of the environmental sensitivity of the business sector in which they operate and seek to continually develop and improve the company's environmental compliance.
